

CITY OF BRENTWOOD DEMOLITION PERMIT REQUIREMENTS

1. Completed Building Permit Application
2. Site plan showing structures to be removed, a construction fence completely enclosing the demolition work, and a silt fence to prevent any silt from leaving the property.
3. Written notice to all owners of property within 300 feet of the demolition property.
4. Copies from all utility companies verifying that all utilities have been disconnected from the structure.
5. A water source is required to provide a spray mist during demolition work to prevent migration of dust.
6. Provide a copy of the waste, lead, and asbestos disposal permits from St. Louis County Air Pollution Office.
7. Neighboring property must be protected and restored to pre-demolition condition.
8. Dumpsters must be located on the property and behind the construction fence.
