PROJECT INFORMATION

1. Allowable work hours for demolition are 7am – 10pm, Monday through Saturday excluding holidays.
2. Inspections should be scheduled (1) prior to backfilling holes, and (2) upon completion.
3. Inspections may be scheduled by phone at 314-505-8500 between 8am-5pm, Monday through Friday. Please schedule all inspections a minimum of one week in advance.
4. Permits in which the work has not been started or progress made within 6 months of issuance shall be terminated without refund.
5. Work performed in the right-of-way requires a permit from the Department of Public Works (314-505-8563).
6. All equipment is to be stored on the property unless approved by the Building Commissioner.
7. Contractors are liable for obtaining approved final inspections.
8. All demolition sites are to be properly graded and have ground cover provided (grass seed or sod).
9. Demolition sites shall be fenced off when demolition is not being conducted.
10. Exterior removal / abandonment requires a site plan.
11. The City requires a environmental report outlining pollution testing and—if necessary—abatement.

APPLICANT ACKNOWLEDGEMENT AND SIGNATURE

By signing below, I state the information provided on this registration application is truthful to the best of my knowledge, and I have read and understand the terms of service documentation as it relates to this application. Further, I understand this is an application and not a permit. Work cannot begin until a permit is issued.
