PERMIT INFORMATION

1. This permit application applies to dumpsters and/or portable storage containers placed on private property such as parking lots, yards, driveways, etc. Dumpsters and/or portable storage containers placed in the right-of-way (e.g. streets, etc.) requires a permit from Public Works and Parks.
2. The permit shall be posted in a location in plain view of the street, and it shall be protected from the elements.
3. Dumpsters placed on private property shall be regularly and/or promptly serviced; maintained free of garbage and water; shall not be filled to the point of overflow; and shall not be placed on the property for more than 60 days without the approval of the Code official.
4. Violators of this provision, or when it is determined by the Code official that the dumpster is a public nuisance, shall be warned either verbally or by posting notice on the property in a conspicuous place. If the violations is not corrected in a timely manner (no more than 3 days), the Code official may contact the waste disposal company and have the dumpster emptied or removed.
5. Portable storage containers (such as PODS, roll-away, etc.) shall be maintained in a tidy manner and are to be short-term in nature. Containers shall not be placed on private property for more than one week unless specifically approved by the Code official.
6. Containers shall not be a nuisance to neighbors, and shall not impede pedestrian/vehicular traffic or cause difficulty to drivers by obscuring the view of vehicle operators.

APPLICANT ACKNOWLEDGEMENT AND SIGNATURE

By signing below, I state the information provided on this registration application is truthful to the best of my knowledge, and I have read and understand the terms of service documentation as it relates to this application. Further, I understand this is an application and not a permit. Work cannot begin until a permit is issued.
